ROOM 13 PROJECT | Fall 2018 - Spring 2019

Appalachian State University, Boone, NC

### **Project Research & Management** | Vicky Grube

- Organized local professionals and managed college students to transform a retired school bus into a mobile afterschool art program for children ages 5 years to 8 years old.
- Created Federal Work Study jobs for six students and led them to organize and maintain the Art Education room, Wey 202, at Appalachian State University.
- Assigned additional tasks for our team including researching other Room 13 branches around the world, reporting on local artists and environmental research we could use to educate the after school participants, and to meet once a month to share the research and progress made.
